Hi Linda,

I created the attached on Thursday night, but just made one minor edit that I believe explains the residential PWS GenX results better. Does this suffice? Please let me know.

Thank you,
Jenny

Jenny – Can you please put this into the briefing paper format that Anthony provided? This meets what Kurt wanted for the paragraph...can it easily be converted into the attached format too?

Hi Linda,

I attached a new version with a title, if you need one. For future reference, please ask me directly about the Chemours case as Kim doesn't work on it. We can discuss this more tomorrow if you like.

Have a good evening,
Jenny

Is this different than what you sent me?

Hi Linda,

Attached is the final write-up for the Chemours Washington Works Facility (thank you, Jenny and Jacquie!).

As reference, I pasted the last write-up for WPAFB below.

Thanks,
